

FEBRUARY

What's happening Music In The Metro,

First I want to give a big **THANK YOU!** to Tero International for the donation of video equipment. There are pictures on the website currently that show some of the students using them already! I also want to send out a special thank you to Jocelyn Simmons for her community contribution.

To all my students:

Music In The Metro is starting a show band. We need your help to get this going. Tryouts for the show band are going to be held in March. Start practicing now if you are interested. Please stop by the studio or visit the contact us page on the Music In The Metro website.

Looking to the future—We are currently in the process of upgrading the studio in a big way. There are going to be some other big changes in the future for Music In The Metro. Keep checking out the website to get the latest details.

Until next time,

Mr. Rick
