

September

Hello all,

Welcome to our first news letter! We have a lot going on this month. We are getting back to school, and we are having our first annual Music In The Metro scholarship banquet. We will be honoring Grammy Award Winner Shondrae "Mr. Bangladesh" Crawford, with the Proclamation from the Mayor, and the Key to the City from the Governor. Wow, that is going to be crazy!

Also that night, some special guest include: entertainment attorney Bernie Lawrence Watkins, T-Boz of the hit group TLC (if u didn't know), Mr. Ryan Ford of Source Magazine and now entertainment Agent to Snoop Dog, Tyrees, and Xzibit, also, Wes Hall, author, national motivational speaker and founder of many youth programs, and that's not even counting Dignitaries.

The fundraiser is September 28th at 6:30 in the evening. It will be held at the Logan Boys & Girls Club. Make sure you come out and show Shondrae some love. It's not every day you get to hang out with a Grammy Winner.

Look for upcoming changes on our web page thanks to our new I.T person Mrs. Megan Thompson, two thumbs up! Look and listen for tracks by our up and coming producers and artist on the web page and don't forget to sign the guest page.

Welcome back to my students from Mc Combs. We are going on our third year. There is so much talent there, it's unreal! The talent's everywhere, at all of our locations. Keep up the great work you guys and gals! I'm expecting big things from you all this year.

Be Blessed

Mr. Rick
